

## Driver's Bulletin #1A

10 Nov 2020

1. Replace the Refund Policy in the Supplementary Regulations with:  
Competitors who are entered have until 30 Oct 2020 8pm (Pacific Time) to withdraw without penalty. After that time and until 12 Nov 2020 8pm, those competitors who withdraw will forfeit \$500 of their entry fee. After 12 Nov 2020 8pm, those competitors will forfeit the entire entry fee.  
  
This is a sanction exception.  
  
The first version of this Bulletin incorrectly listed the end of the partial refund of the entry fee as 10 Nov. This change corrects it 12 Nov.
2. During recce, competitors must display a recce identifier, distributed at Recce Check-in/Registration, on the vehicle that they are doing recce in. (Directions for where the recce identifier is to be placed are included with it.) Competitors that participate in recce and fail to do this will be subject to a penalty.
